A News Letter From *Sun & Black Flowers*

## INSIDE THIS ISSUE

**1. Emerging trends for Swimming pool**

**2. Go Green Tips**

**3. Equipments**

### **A glass of sherry, a lounge chair, a swimming pool at home!**

“ *Sun & Black Flowers is a lavish array of the most beautiful private pools. With edges that seem to blend into a neighbouring body of water, recreate the sensation of an open body of water. The combination of extraordinary location and impressive design achieves a boundless effect and seamless union between architecture and landscape.* ”

**T**his beautifully illustrated newsletter explores the growing trend, highlighting some of today’s most emerging trends which are used in swimming pool construction. Says Mr. Meenakshi rajan , Technical Manager of Astral India Pvt Ltd, a company known as a “reference point for swimming pool equipments.”

A family get-together, a business meeting or just floating on crystal-clear blue water for a therapeutic purpose –you can now do it by the poolside, at home!

Socializing or meeting for pleasure is no longer a ‘five-star hotel’ affair. Yes, owning a swimming pool today is quite common as owning a luxury car. Thanks to technology and landscape artists, the ‘home swimming pool’ has arrived!

And the best array of swimming pools with lavish design and perfect execution comes from Sun and Black Flowers—the bold new artists of landscape, design and architecture. They weave a seamless fabric of landscape and architecture. They can convert a dry and colourless land into an exquisite landscape.

# GO GREEN TIPS

## Plant 'n' Organic Garden

- Fresh Herbs Always Available to Make Dinner Time Magic
- Colorful Salad is now a New Adventure on a Daily Basis
- Save Money Instead Purchasing Grocery Individually
- Blend in & as Appealing as Shrubs and Flowers
- Show up & Share the Wealth with Dears & Nears
- Educational Experience as at Medieval Times Relieve Stress & Revitalize the Soul
- Ex: Exotic Variety in Basils alone
- Good for You
- Watching Your Herbs Grow is Worth a Little Soiled Hobby

*Counter Current Jet*

The state-of-the-art technology and developments in design, filtration, dosing and treatment, cleaning and maintenance are ushering in a paradigm shift in the way swimming pool is looked at.

Advancements in technology and design have greatly reduced the construction and maintenance of designer swimming pools today. Automation and professional manpower service have brought swimming pool within the reach of any higher-middle income group.

*Filter Plant Installation*

*Infinity edge Pool with Underwater Lighting with Halogen Lamps*

Clear and clean water, no harsh chemical on the skin, controlled temperature and efficient pumping system all at affordable prices! The dreams of owners, engineers and designers are indeed coming true now.

The swimming pool once the privilege of the elite and the high is yours today. Affordable, available and at just a call or click away.
